Education

Dr. D.Y. Patil Institute of Engineering, Management and Research, Pune
Bachelor of Engineering in Computer Science

Dec 2021 – May 2025
CGPA: 9.64 (Current)

Skills

Languages: C++, JavaScript, TypeScript, Python
Web Technologies: HTML, CSS, React.js, Next.js, Node.js, Express.js, Redis, MongoDB (NoSQL), MySQL (SQL), RESTful APIs, Flask, Firebase, TailwindCSS
DevOps and Cloud: Git, GitHub, AWS, Docker, Kubernetes (Basic), Jenkins, GitHub Actions, MicroServices, Apache Kafka
Others: Linux, Windows, Database Management System (DBMS), Object-oriented Programming (OOP), Vercel

Experience

LinuxWorld Informatics Pvt Ltd. - AWS, Docker, Kubernetes, Langchain. Jun 2023 – Dec 2023
Generative AIOps Intern Remote

- Managed an AWS-based platform to **automate the creation and deployment of Dockerfiles to GitHub**, reducing deployment time by 50%.
- Designed and deployed 4 stages from **AI-powered CI/CD pipeline** that automates code deployments to EKS triggered by GitHub events, minimizing common deployment errors.
- Collaborated in a cross-functional team to integrate Generative AI technologies, increasing successful code deployments by 25% in the first quarter.

WaveAuth - React.js, Next.js, Restful APIs Mar 2022 – Sep 2022
Software Development Intern Remote

- Delivered 2 high-quality, **scalable and responsive websites** for clients, optimizing user experience and ensuring web accessibility.
- Teamed up with 4 developers to design and implement visually appealing, **user-friendly interfaces**, ensuring a 30% faster project delivery while meeting all **client requirements**.
- Redesigned website architecture in Next.js** to improve performance and optimize security by reducing page load times by 15%, aligning with the standards of the SaaS application.
- Upgraded SEO optimization** techniques, increasing organic traffic by 25% and boosting search engine rankings.

Projects

Lingo - Language Learning App — Next.js, TypeScript, Drizzle, NeonDB, Stripe. Apr 2024 – Jul 2024

- Created a Duolingo-inspired language learning platform with features like **AI-generated voices, sound effects, and an interactive points/XP system**, improving user engagement by 10%.
- Established **Stripe for Pro subscriptions**, enabling unlimited hearts and set up a **React Admin dashboard** to manage users, payments, and lesson progress, improving data visualization by 5% for better insights.
- Added a **hearts system and lesson retry feature**, which boosted consistent learning and improved retention by 15%.

Keep Up - Professional Notes Taking App — Next.js, TypeScript, Convex, EdgeStore, Zod. Dec 2023 – Mar 2024

- Innovated a Notion-style editor with **real-time updates, infinite child documents**, and file management features like **uploads, soft delete, and replacement**, improving document management efficiency by 20%.
- Implemented **public note sharing with one unique web URL for Preview** and increased user productivity and used **Postgres-based real-time database with Convex** for consistent and scalable data handling.

Threads - Social Media Application — Next.js, TypeScript, MongoDB, Uploadthing, Clerk. Jul 2023 – Nov 2023

- Built a Threads App with functionalities like light/dark mode, file uploads, and **real-time database interactions, handling up to 200+ concurrent users** during peak usage.
- Enhanced a **secure authentication system with Clerk** and used **three webhooks to listen to and process real-time events**, ensuring real-time updates for user actions.

Positions of Responsibility & Achievements

- Secured 1st from Division 4 globally** in Long Contest by CodeChef.
- Ranked 1st in CodeQuest** offline round conducted during Techfest 2023.
- Awarded **Top performer of the Month** as an intern at **LinuxWorld Informatics**, ranking 1st among all interns.
- Led as **Technical Team Head of COMPISA, DYPIEMR**, organizing **20+ events** both **technical events** and **non-technical events** like hackathons, fresher's parties and workshops.
- Scaled **YouTube Channel** to **1.5K+ subscribers** and **145k+ views**, focusing on spiritual content (Bhagavad Gita).
